Euharlee Egg Hunt Returns for 2022

The Annual Euharlee Egg Hunt is returning on Saturday April 16, 2022 at 11am. Due to inclement weather and COVID-19, the hunt has not occurred since 2018. This free children's event is a highlight of the year for many.

Children under the age of 10 can participate on the soccer fields at Joe Cowan Park. Local groups and sponsors will provide a few goodies and activities prior to the start of the egg hunt.

Hometown Spotlight from Mayor Guyton

Hey citizens! I want to do a little "hometown spotlight" if you will indulge me!

Last month, the Cartersville/Bartow Chamber of Commerce held their annual meeting. At this meeting the chamber announces three awards: manufacturer of the year, volunteer of the year, small business of the year (which Johnny Mitchell's Smokehouse won when they were in Euharlee).

This year our very own Councilman Tim Abbott won the Cartersville/Bartow Chamber volunteer of the year! Tim works extremely hard in his career, as Euharlee Councilman and as a volunteer for many organizations in Bartow County! I wanted to make you aware that Tim does a great job of representing the City of Euharlee. I would like to further congratulate Councilman Abbott for this amazing award! Well done sir!

Did You Know?

Euharlee has one of the oldest militia district courthouses remaining in Georgia. It is located near Osborne Park. Next door is a small Calaboose, a two cell jail with the original bars. The local justice of the peace presided over civil and minor criminal matters.

You can learn more at the Euharlee Welcome Center & History Museum.

Former Mayor Honored

At the January Council Meeting, the Mayor and City Council honored outgoing Mayor Steve Worthington with a resolution highlighting the former mayor's decades of service to the Euharlee community and all of Bartow County. Thank you Mayor Worthington.

Improvements at Joe Cowan Park

During the winter, the Parks and Recreation Department has teamed up with the Public Works department to battle erosion on the trail at Joe Cowan Park.

The team has also been improving drainage around the fields and other crucial maintenance in the park.

We hope that you can get out in the park this spring and enjoy this facility.

Meet Euharlee's Economic Development Director, April Lucas

April Lucas joined the staff in September 2021 in the newly created position of Economic Development Director. Ms. Lucas has Bachelor degree in Business and Marketing from Berry College. She came to Euharlee from Polk County where she served as the Director of Existing Industries and performed marketing and event planning for the county.

Ms. Lucas will be working with local businesses and promoting Euharlee's tourism. She will spearhead city special events and launching Euharlee's Farmer's Market. Ms. Lucas is also developing a new city website that will help residents connect with their city.

Ms. Lucas and her husband Jonathan recently welcomed their newborn son Elijah. They enjoy hiking, traveling, and experiencing what the world has to offer.

April is "so excited to have joined this wonderful Euharlee Community. I feel blessed and honored to play a part in the future an and already amazing place."

Trail at Black Pioneer Cemetery Completed

In November 2021, the trail at the Black Pioneer Cemetery on Euharlee Road was completed. The project was funded by a mitigation grant with Bartow County. The Citizens of Plant Bowen have been instrumental in the completion of the trail through their continued time and labor on this project. The City of Euharlee is grateful for their efforts.
