

City of Euharlee, GA

Design for 15 campsites at

Frankie Harris Park

Sealed Bids for the engineering and design work for 15 additional camp sites at Frankie Harris Park will be accepted by the City of Euharlee, at the office of the City of Euharlee City Hall; located at 30 Burge's Mill Road, Euharlee, GA 30145, until 7:00 P.M. on March 15, 2022, at which time the Bids received will be publicly opened and read.

A pre-bid meeting will be conducted at the location of Frankie Harris Park on March 3, 2022 at 10:00 A.M. Attendance at this meeting is strongly encouraged for bid submitters.

The sealed bid package should include the cost for design and engineering work for 15 camp sites at Frankie Harris Park, including bid documents for the construction of the sites. The bid documents should include 15 full hookup sites and an alternate for 15 sites that do not include sewer hook ups. Additionally, the plan should include estimated construction cost for the construction of the sites for consideration by the City Council.

The bid package should also include a history of similar projects successfully designed by the bidder.

The City of Euharlee reserves the right to reject all bids and to evaluate the bid packages based on cost and expertise of the bidders.
